

CCEMTPsm STUDENT INFORMATION HANDBOOK

YeWelcome to July, 2024 On-Campus CCEMTPsm!

Thank you for choosing UMBC for your critical care education. We are very pleased to have you here and wish to provide you with some administrative guidelines for the course.

We ask that you familiarize yourself with the contents of this handbook as we have provided a great deal of information to assist you throughout the course.

We hope that you will find this handbook useful in answering many of the questions that you may have.

ACADEMIC INTEGRITY AND ETHICS	<p>Academic integrity is an important value at UMBC and the Department of Emergency Health Services. By enrolling in the CCEMTPSM course, each student assumes the responsibilities of an active participant in UMBC's scholarly community in which everyone's academic work and behavior are held to the highest standards of honesty. Cheating, fabrication, plagiarism, and helping others to commit these acts are all forms of academic dishonesty, and they are wrong. Academic misconduct could result in disciplinary action that may include, but is not limited to, suspension or dismissal from the CCEMTPSM program. Rigorous standards allow UMBC students, faculty, and administrators, as well as scholars and employers in the larger community, to trust that the work that students submit is the fruit of their own learning and academic effort.</p> <p>All members of the UMBC community are expected to make a commitment to academic honesty in their own actions and with others. The following activities are examples of academic misconduct that are not tolerated by UMBC. (Other situations will be considered on an individual basis and reviewed as to whether the incident violates the standards set forth as an EMS professional.)</p> <ol style="list-style-type: none">1. Cheating2. Lying3. Unethical behavior4. Stealing5. Lack of respect for authority6. Lack of respect for fellow students7. Illegal substance use8. Plagiarism9. Fabrication10. Facilitating academic dishonesty <p>Students are expected to behave in a manner consistent with the UMBC Policy for Academic Misconduct in Undergraduate Courses and the Student Conduct Code. Both of these documents are contained on the UMBC web page www.umbc.edu.</p>
ATM	<p>ATM machines are located outside of the University Center on the ground floor and in the Commons. A campus map is included in the student folder for your convenience. A full-service bank and ATM machines are also located in the Commons.</p>
