## ZOOM:

- Persons wishing to participate via Zoom will be required to review/acknowledge the policies and procedures posted on our website: <a href="http://ehspace.umbc.edu/ParamedicRefresher/Zoom/">http://ehspace.umbc.edu/ParamedicRefresher/Zoom/</a>
- All Zoom participants will be required to attend 100% of the time\* just as you would in person.
- Please only select to attend via this option if you can meet the minimum technical requirements and agree to the policies established.\*
- If you do not meet the attendance policy, you will not earn the full hours. Your connection issues to WiFi, the internet or meeting platform are your CEU problem. Please have a backup plan, like a second device (iPad, phone, etc.) with the meeting technology app already installed. CEUs WILL NOT be granted for missed time due to computer, WiFi, or technology excuses. If you are not savvy with a computer and/or meeting technologies, please reconsider Zoom and attend IN PERSON.

ALL students will receive access to the handout website, this information will be included in your electronic confirmation packet. There will not be any handouts in person since you can access them electronically.

Continuing Education Credit: This continuing education activity is approved by UMBC, an organization accredited by the Commission on Accreditation of Pre-Hospital Continuing Education (CAPCE). EMS providers must provide both NREMT # and expiration date (if applicable) and state license and expiration date to receive CAPCE credit.

I understand that UMBC as a requirement of CAPCE accreditation will submit a record of my course completions to the CAPCE AMS. I further understand that my course completion records may be accessed by or shared with such regulators as state EMS offices, training officers, and NREMT on a password-protected need-to-know basis. In addition, I understand that I may review my record of CAPCE-accredited course completions by contacting CAPCE.
